September, 2008

Dear Parents and students,

Welcome to our new season at Ann's School of Dance! We have an exciting year planned for all our dancers. Below is a list of some important information to help keep you up to date throughout the year.

### Communication:

Our website is the best way to access all our current information. Please make sure we have your current email on file so you will receive the latest updates. You may email us right from our site if you have any questions.

[www.annsschoolofdance.com](http://www.annsschoolofdance.com)

We also will post important notices up at the studio so please be sure to check each time you bring your child.

### Calendar:

Copies of our full year schedule can be picked up at the studio or viewed on our website. Important dates are highlighted and labeled.

### Dress Code:

The dress code is outlined in our brochure and on our website.

All dancers **must have on a leotard for all dance classes**. Ballet and creative movement classes must have on tights and may wear a dance skirt. No pants or shorts for Ballet classes. Jazz, Tap, Lyrical, and Gymnastic classes may wear jazz pants or capris. We sell a wide range of leotards directly at the studio for your convenience. You can see a list of all we offer on our "dance wear order form" on our website.

### Bring A Friend Day:

Dancers are invited to bring a friend to their dance class the week of:

Sept. 22 – Sept. 27.

We will send home invitations next week to hand out to your friends and make them available to print off our website, too!

### Enrollment T-Shirts:

T- Shirts included with enrollment fee will be handed out to all students by the last week in October.

Thank you!
